

A New Day Counseling & Education Services, LLC New Client Information

Welcome to A New Day Counseling & Education Services, LLC

It is our goal that you see A New Day as a place where you can accomplish goals through therapy, education, or both. A New Day is a safe place, a place where you can feel free to openly share, learn, grow, and heal. If at any time you have any questions, comments or concerns, you are encouraged to discuss them with your therapist, instructor, or any other member of our staff.

Please take the time to review the information below, as you may find it beneficial as a client of A New Day Counseling & Education Services, LLC.

APPOINTMENTS

Appointments at A New Day are generally set by our scheduler. You can contact our office at 317-884-5750 to schedule an appointment. We generally have someone available to answer the office telephone. In the event that we cannot immediately take your call, please leave a detailed message and we will return your call at our earliest opportunity. There are times when it may be more convenient for you, or your therapist, if the therapist schedules your appointment instead of our scheduler. This is perfectly acceptable. A New Day makes every possible effort to schedule your therapy appointments to meet your specific needs. If the situation arises where a suitable appointment time cannot be arrived at through conventional measures, your therapist and our scheduler will work with you to obtain a suitable time for your therapy appointment.

Education clients (PRIME for Life, etc.) generally work with the instructor to arrive at a class time that will suit their needs. It is important for these clients to remember that if a referral source is involved, the class time and length may be determined by that referral source.

CANCELLATIONS

We at A New Day understand that there are times when life happens and you cannot make a scheduled appointment. If you must cancel an appointment, we ask that you provide us with a minimum of twenty-four hours notice. A fee of forty-dollars will be assessed for any appointment canceled without twenty-four hours notice. A cancellation with the minimum of twenty-four hours notice will not be assessed a fee. Please note that it is our goal for you to make every appointment. Missed appointments can disrupt the therapy process. Cancellations due to inclement weather will be dealt with on a case by case basis. Late cancellations, missed appointments or failure to contact your therapist can result in services being terminated. Unfortunately, services will be terminated following the third incident. Please make every effort to stay in contact with your therapist, she or he is here to assist you.

PAYMENT

Full payment is expected before each therapy session. If we file an insurance claim for you, the full co-pay is expected before each session. If we do not know how much your insurance will pay, we expect you to pay 50% of the session charge until a determination has been received from your insurance provider. If we have not been reimbursed by your insurance provider within ninety days, the full amount due is expected from you. Any overpayment will be applied toward future sessions or refunded at your request. If circumstances prevent you from paying as requested; please contact our office to make arrangements. Please note: PRIME for Life clients are expected to pay the full class fee before the beginning of the first class.

Welcome!
